# Wayne Tucker Painting

Wayne Tucker Painting started painting back in 1989 and 31 years later, Wayne Tucker has established a reputation for quality workmanship on all forms of painting projects both residential and commercial throughout Moree and the surrounding district.

---

## Summary

Wayne Tucker Painting consistently produce high-quality work for their clients which is why they have a large established repeat cliental, whom use their services for annual maintenance and upgrades.

---

## Description

No job is too big or small for Wayne Tucker Painting with projects from single rooms up to multi storey and their painting is guaranteed to provide long term value.

Services offered are in all aspects of residential and commercial painting which include interior, exterior, roof spraying and wallpapering. We pride ourselves on our thorough preparation of all surfaces prior to painting to ensure a quality finish.

Wayne Tucker Painting have undertaken works for local childcare centres, government premises, hospitals, flour mills and residential.

Our strategy of providing Concept to Completion service has enabled us to build relationships with our clients that have ensured our growth and capabilities. Our mission is to minimize downtime and maximise comfort and peace of mind.

We operate to very high standards and use inspections and checklists as part of our process to maintain quality control and offer a superior service through consistent quality work. Our licences and insurances are current with \$20M public liability, and we follow and adhere to strict Health and Safety guidelines. We offer ongoing training should it be required and ensure are staff are equipped and use the latest PPE equipment.

All 3 staff members are professional and competent painters, fully qualified with a minimum of 10 years' experience. For larger projects Wayne Tucker Painting has access to qualified subcontractors.

Our attention to detail and perfection along with highly competitive pricing, innovation, colour consulting and green technology sets Wayne Tucker Painting.

That care and attention does not just apply to the way we treat our customers, but also the company's approach to our team.
